International Transfer Credit Listing

Transfer Credit Listing

ed TROY course equivalents from completed course work at other regionally accredited institutions of higher education. It is in no way an official determination nor a guarantee of transfer credit award. All students wishing to receive transfer credit toward a degree at TROY must have an official transfer credit evaluation performed by the university upon admission to the university and registration in at least one term with TROY. All information contained within these pages does not necessarily reflect current catalog course listings for TROY or the transferring institution. These transfer credit listings are primarily based on academic catalogs since Fall 2005. Therefore, please understand that these listings are a culmination of TROY courses and transfer courses as of this current date. It is not necessarily a complete listing of all possible transfer courses from any one institution.

Students, advisors, and/or faculty should understand how course work from other institutions is evaluated for transfer credit.

Additional information about academic transfer credit evaluation processes is available in the university catalogs at <http://troy.edu/catalogs> and <http://www.troy.edu/transfer>.
