The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the last day of the regular registration period for the current semester or term. Payment of fees may be made on-line using Trojan Web Express or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, money orders, checks, and cash.

Troy University offers a tuition and fees payment plan which helps in budgeting college costs but requires financial planning by students and their families.

Students are required to pay all previous term balances and one-third of all semester charges by the last day of regular registration for the current semester or term in order for registration to be complete. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-third requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, money order, or credit card

The remaining semester balance may be paid in two installments. Failure to pay the entire balance of tuition and fees by the third payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts.

- 
- At least one third of all tuition, fees, and charges are payable by the last day of regular registration. If the 1/3 payment is not paid by the last day of regular registration, a student must re-register during late registration. When a student registers during the late registration period, at least 1/3 of all tuition, fees, and charges are due at the time of late registration. The remaining balance will be required in two payments due approximately one month apart. Failure to pay all charges by the third and final payment date will result in a late payment fee.
