

COLLEGE OF COMMUNICATION AND FINE ARTS

The mission of the College of Communication and Fine Arts is to provide excellence in instruction in selected communication, foreign language, and fine arts disciplines along with practical experiences in journalism, mass communication, music, speech communication, classics, modern languages, theatre, visual arts and design.

The college assumes that the richest experiences of human beings arise from their abilities to analyze and interpret intelligently and imaginatively works of art and performances as well as the rhetoric and actions of past and present leaders; to communicate effectively within a variety of contexts using the multiple languages and tools of the communication and fine arts disciplines; to make intelligent decisions in an increasingly complex and diverse, media-driven society; and to work together harmoniously in groups to accomplish established goals.

The mission of the college includes the creation of a climate within and beyond its institutional boundaries that encourages responsible, ethical, and informed expression within the disciplines of which it is composed.
