 The course description is evaluated and the course can be trans-
 ferred into the program only if it is comparable to a Troy University
 course and approved by the appropriate graduate business faculty or
 administrator. These courses must be comparable in catalog descrip-
 tion, level, and content to Troy University courses. If the course is
 not comparable to a Troy University course, then the transfer credit
 request will be denied.

**Note: For international students, the business degree is to be
 awarded by an institution granted license to offer business degrees
 in their country of origin by the appropriate government agency or
 ministry.*
