Color Poem

Yellow accompanies the Sun
as it rises in the morning.
Yellow colors the bright dandelions and sunflowers in the field.
Yellow is a light bulb,
a genius idea striking one's mind.
Yellow is a lemon being turned into lemonade to sell
on a hot summer day.
Yellow is amber and gold,
beautiful gemstones of great value.
Yellow is the color of lightning that flashes across the sky,
and the raincoat of one walking in the rain.
Yellow is the Sun as it sets, and the fireflies as they light the night.
Yellow is the stars and the moon, up in the sky so high.
Yellow is the color happiness, a brightness, and of light.
