

OPTIONS FOR TROY TRAVELERS TO BOOK TRAVEL RESERVATIONS

To begin, please self-register to access travel and create your traveler profile using this link:
<https://legacy.cbtravel.com/business/profile/troyuniversity/>

Please bookmark this page or add as a shortcut to your desktop for future easy access to book travel. Completely fill out the traveler profile template including all of your contact information, travel preferences and your credit card information. After you submit this information your credit card number will be encrypted except for the last 4 digits, and it will be the only time you have to add this information. Once you complete the registration page click on submit. This will create your profile, and then you will receive your login credentials to create your password via email. After you login to complete your traveler profile, please make sure that your full name showing in your profile is EXACTLY
