Recruit – Retain – Graduate – Internationalization and Diversity

Draft Exec

dollars for the Alumni Legacy Scholarship, which was met. The focus is to raise 1 million for the Troy Alumni Scholarship.

In the Fall of 2023, the Enrollment office continued to see under-awarded scholarships. The Institution conversion rates from awarded to enrolled shifted throughout the levels. The overall spending on institutional scholarships has consistently stayed below the allocated budget.

The recruitment cycle concluding with Fall 2023, and Graduate level applicants (Master's, Education Specialist, and Doctorate) accounted for approximately 37% of non-traditional applications for admission. 61% of these applicants were admitted and 79% of these graduate applicants enrolled, above the established target of 60%.

Troy University has earned the 2023-2024 Military Friendly® School Gold designation from G.I. Jobs magazine, the organization's highest gold ranking. Additionally, TROY was designated as a Military Friendly® School for Spouses and Dependents. More than 1,800 colleges and universities participated in the survey.

For the second year in a row, TROY has established 12 or more new endowed scholarships. In 2023 TROY raised an additional thirteen endowed scholarships totaling \$478,360 in new endowed scholarship funds for Troy University.
