Report on the Financial Statements

We have audited the accompanying basicnionial statements of WTSU-FM Radio of Troy University, as of and for the greended September 30, 2017 and 20(\$6); sted in the table of contents as Exhibits 1 through 3.

Management's Responsibilitior the Financial Statements

Management is responsible for the preparation of fair presentation of these financial statements in accordance with accounting principlemerally accepted in the United States of America; this includes the design, implementations, and maintenance finternal control relevant to the preparation and fair presentation financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

An audit involves performing predures to obtain audit idence about the amounts and disclosures in the financial statements. eTprocedures selected bepend on the auditor's judgment, including the assessment of the srisk material misstatement of the financial statements, whether due to fraud or errown. making those risk assessments, the auditor considers internal control relevant to the texts i preparation and fair presentation of the financial statements in order to design aupirocedures that ar appropriate in the circumstances, but not for the purpose of exping an opinion on the effectiveness of the entity's internal control Accordingly, we express no such pinion. An audit also includes evaluating the appropriatements made by managere, as well as evaluating the overall presentation of therfiancial statements.

We believe that the audit evidence we have aioled is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the basic financial statementesferred to above prest fairly, in all material respects, the financial position WATSU-FM Radio of Troy University as of September 30, 2017 and 2016, and its changes inclinatesposition and its cash flows, for the years then ended in conformity with account principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted ine tornited States of America require that the Management's Discussion and Analysis (MA)& be presented to supplement the basic financial statements. Such information, although a part of the basic financial statements, is required by the Governmental Accounting and and basic financial statements in an appropriate operational, economic, or historicatontext. We have applied that and and generally accepted in the United States of America, which onsisted of inquiries of management about the methods of preparing the information and paring the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express appinion or provide any assurance.

Management's Discussion and Analysis (Required Supplementary Information)

Statement of Revenues, Expensesd Changes in Net Position

The Statement of Revenues, Expenses and Changes in Net Position presents the revenues earned and expenses incurred during the fiscal year. Revenue and expense activities are categorized as either operating or non-operating. Operating revenues eareived for providing services to the various customers and constituencies of the Station. Diper expenses are thosepenses paid to acquire or produce the services provided. Non-operating reveause from transactions not associated with the stations principal activities. Iniversity and grant funds received capital purposes re classified as non-operating revenue.

The Station's Statement of Revenues, Expensives, Cananges in Net Position reports an operating loss of \$78,479. This reported operating loss is typaiced lis caused largely by depreciation of capital assets. Non-operating transactions such as formating as well as revenues resulting from exchange transactions involving townespace rental also affect net position. There was overall decrease in Net Position of \$73,687 due to ethactors discussed above.

Operating revenues decreased by \$16,025 due to **easte** in direct and indirect support from Troy University as well as a slight decrease **CiPB** funding. Operating expenses decreased by \$22,899 largely due to a decrease in broad **capst** ind management and general expenses.

There was an overall decrease in Net Position; however, Troy University remains committed to keeping WTSU-FM vital for the coming years.
