

PHYSICAL EDUCATION DEPARTMENT

Before 1929 the only physical education offered at Young Jun^{ior} High School was the coaching of the football teams. These teams had

no other physical education activities.

The first physical education teacher was Mr. J. H. [Name]

who was hired in 1929. He was the first to offer a regular physical education program.

At first the program consisted of only football and basketball.

Over the years the program has expanded to include many other sports and activities.

Today the physical education department offers a wide variety of activities for all students.

These activities include football, basketball, baseball, tennis, and swimming.

The department also offers physical education classes for all grade levels.

Physical education is an important part of a student's education.

It helps students to stay healthy and active.

Physical education also teaches students important life skills.

These skills include teamwork, leadership, and sportsmanship.

Physical education is a fun and exciting activity for all students.

It is a great way to stay healthy and active.
