

Friday a.m. May 18  
Howick, Conn.

Dear Father and Sister,

Of course you have my  
letter by now telling you about  
Arthur's being in the  
Third Division,

Anderson, Georgia,  
of the 10th Division.

It nearly kills me to write  
that name of mine. I like  
the name and all that goes  
with it.

Today is our second anniversary  
and you know how I feel. I  
lonesome with my husband so  
far away.

The Cottons must be very poor  
to have George home again  
and I don't doubt that they  
would be very poor.

Sister, I am writing to you  
in a few lines to let you know  
to obtain a passport for the purpose  
15<sup>th</sup> so I suppose I can go over.  
What do you think of my going to the  
educational institute for a  
five time of year to go.

Father if you are willing  
to support me to help me  
on the fare, I have no objection  
what the rate are but  
so long as I can get it.

Well I am glad to see you  
returning home and I hope  
to see you in a few days  
and I am sure you will  
bring it home with you.

With love from your  
all and I love you  
your loving sister, Jane
